# Good Hands

## CONFUSED, STRESSED, OVERWHELMED WITH FINANCIAL CONCERNS?

When it comes to your loved one's care, we understand your concerns, and we have the professional expertise to help you. We at Good Hands assist families like yours locate the most suitable assisted living options for your loved ones according to their level of care, location, and budget. We promise to treat you with honesty, dignity and respect.

## OUR QUALIFIED NETWORK

The providers in our network serve all levels of care, including: continued rehabilitation, physical, occupational and speech therapy, stroke, cardiac, Parkinson's, special diet accommodation, dialysis, dementia, Alzheimer's, ventilator, tracheotomy, tube feeding, hospice care, skilled nursing, and in-home care services (private duty).

## OUR NETWORK INCLUDES

- Assisted Living Facilities and Homes
- Adult Foster Care
- Dementia and Alzheimer's Facilities
- Nursing Homes
- Temporary or Long Term Accommodations
- Medicaid (ALTCS), Long Term Care insurance, or VA providers

## ASSESS LEVEL OF CARE

Good Hands will assess and evaluate your loved ones' needs and psychosocial profile, and collaborate with all parties involved in their care. A thorough assessment is crucial in matching these needs to the level of care offered by the care providers in our network.

*"Most of us know we need to take care of our children, but few of us are prepared to take care of our parents."*

## LOCATION

The location of the care providers plays an important role for our clients and their families. It often determines how frequent family members are able to visit, and how much time they can spend with their loved ones. Good Hands will strive to find the closest possible locations that have immediate availability for our clients.

## BUDGET

Care providers determine their monthly rates based on the client's level of care, type of accommodation, and services provided. Whether your loved one is covered by private funds, long term care insurance, veteran benefits, or Medicaid (ALTCS), we can help stay within the budget by negotiating lower fees.

## FACTORS IN OUR SELECTION PROCESS

- Arizona Department of Health Services compliance
- Staff level of involvement, experience and professionalism
- Cleanliness, hygiene, housekeeping, and laundry services
- 24 Hour continuous care
- Medication administration and management
- Nutritious meals including special dietary needs
- Activities and special events
- Pleasant and loving environment

*"Could not have done it without Good Hands!"*
